GrandKokoroEpisode1TorrentDownloadPC !!EXCLUSIVE!!

DVD box sets, typically containing thirteen dubbed episodes starting with episode 1, were released quarterly in uncut format. The English dub was broadcast ... more on the broadcast channels, with dubbing in Russian. A total of three box sets containing thirteen DVDs were released. In Russia and the CIS countries (including Ukraine), The Gathering box sets were released by Videoservice (DVD and Video CD). All DVD distributors have also released DVDs of "Build" episodes of The Gathering. In the US, The Gathering box set was released by New World Video. On
