When it comes to brown hair, just be yourself. “There is no wrong way to be brown,” says makeup artist Willy Soto, whose latest tip: take your products out of the shower and apply them directly to your scalp. If you're looking for a new brown hair goal, here are the advice we gleaned from the experts at Charlotte Ronson Beauty. BE BRAVE Experiment with brown hair colors, highlights, and shades. Consider warm browns, rich browns, and neutrals. Our new fall color should be a little bolder and warmer. Try warm tones, like golden ombre highlights, or richer browns, like deep chocolate brown. DYNAMIC Leave a little auburn stubble along the crown of your head. There is something about a bit of stubble that is very unibrow-
